(c) Neither the directors nor officers of the Association, shall have any liability or responsibility at law nor in equity on account of the enforcement of, or on account of the failure to enforce, these restrictions. An exercise of discretionary authority by the Association concerning a restrictive covenant is presumed reasonable unless the court determines by a preponderance of the evidence that the exercise of discretionary authority was arbitrary, capricious, or discriminatory.

(d) Notwithstanding any other provisions hereof, the Association shall not be liable nor subject to any proceeding at law or in equity on account of any violation or attempted violation of any restriction or provision herein which occurs during such time as there is in force a contract to purchase the property where such violation or attempted violation takes place.

3. Title to the Common Area: Legal title to the Common Area shall remain undivided and shall at all times be owned by the Association or its successors, it being agreed that this provision is necessary in order to preserve the rights of the owners with respect to the operation and management of the Common Area. ARTICLE V Covenant for Maintenance Assessments

- (a) Annual maintenance fee;
- (b) Special assessments for capital improvements; and
- (c) Any other sums to the extent that are specifically provided for elsewhere in this instrument. Such assessments or charges are to be fixed, established and collected as hereinafter provided. These charges and assessments, together with such interest thereon, late fees, and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be secured by a continuing Vendor's Lien upon the Lot

against which such assessments or charges are made.

2. Purpose of Assessments: The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners. Without limiting the foregoing, the total assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward anything necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the Lots or, at its discretion, other property in the Subdivision, neat and good order, or which they consider of general benefit to the Owners. It is understood that the judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges, as provided for by these Restrictions, and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith, and that any special assessment be charged in the same manner as specified by the voting rights of members.

3. Basis and Maximum Level of Annual Maintenance Fees: The maximum annual maintenance fee shall be One Hundred Thirty two and No/100 Dollars (\$132.00) per Lot. The maximum annual maintenance fee may be increased by the Board of Directors of the Association effective January 1 of each year, in conformance with the rise, if any, in the Consumer Price Index (published by the Department of Labor, Washington, D.C.) for the preceding year without a vote of the Members of the Association. The maximum annual maintenance fee may be increased above that established by the Consumer Price Index formula only by the approval of a majority of the members of the Association at an annual meeting or special meeting at which a quorum is present.

4. *{Paragraph restated as follows by Approval of Property Owner Vote on April 25, 2015 **Amendment 3**}* Special Assessments for Capital Improvement: In addition to the annual maintenance fee authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or unexpected repair or replacement of a particular capital improvement located upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the written approval of a majority of the property owners.

5. Rates of Assessment: Both the annual maintenance fee and Special assessments on all Lots, must be fixed at uniform rates.

6. Date of Commencement and Determination of Annual Maintenance Fee: The annual maintenance fee provided for herein shall commence as to all Lots on January 1, 2011. On or before the last day of February in each year, the Board of Directors of the Association shall recommend the amount of the annual maintenance fee to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has recommended the annual maintenance fee shall be sent to every Owner whose Lot is subject to the payment thereof together with the Notice of Annual Meeting of the Association. Annual maintenance fees shall be due and payable annually in advance on January 1st of the applicable year or as directed by the Board of Directors of the Association.

7. Effect of Nonpayment of Assessments; Remedies of the Association: Any assessments or fee which are not paid when due shall be delinquent. If an assessment or fee is not paid within thirty (30) days after the due date, same shall bear interest from the due date until paid at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Owner

personally obligated to pay the same, and/or judicially foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or fee. Each such Owner, by his acceptance of a Deed to a Lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such Owner personally for the collection of such assessments and fees as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including judicial foreclosure by an action brought in the name of the Association. No Owner may waive or otherwise escape liability for the assessments and fees provided for herein by non-use of the Common Area or abandonment of his Lot.

8. Subordination of the Lien to Mortgages: As hereinabove provided, the title to each Lot shall be subject to the Vendor's Lien securing the payment of all assessments and fees due the Association, but this Vendor's Lien shall be subordinate to any valid purchase money lien or mortgage covering a Lot. Sale or transfer of any Lot shall not affect this Vendor's Lien unless such a sale is conducted pursuant to a judicial or non-judicial foreclosure under any valid purchase money lien or mortgage. Such a foreclosure sale shall extinguish the Vendor's Lien securing such assessment or fee as to payments which became due prior to such sale or transfer, however, no sale or transfer shall relieve such Lot Owner from any assessments and fees due prior to such sale or transfer, nor the new Owner thereof from personal liability for any charges or fees thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided hereinabove, the Association, in the discretion of its board of Directors, may subordinate the lien securing any assessment or fee provided for herein to any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determine.

9. If an Owner sells any Lot, the Owner is to notify the Association, within ten (10) days of the sale, of the name and address of the buyer so that the aforesaid assessments may be collected from the new owner.

10. All conveyances of lots shall be subject to such maintenance charge and by acceptance of his deed or contract for deed, each purchaser consents and acknowledges that the Association shall have no obligation to furnish maintenance or do any other thing described in this paragraph other than from maintenance funds.

11. Maintenance fees not paid by January 31 will be charged a collection fee as may be otherwise established by the Board of Directors by resolution duly adopted.

In the event any of the said members of the Committee should die, resign, refuse to act, or become unable or ineligible to act, the Board of Directors shall designate a successor. In the event said Committee or its designated representative(s) fail to disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, such approval will not be required and this covenant shall be deemed to have been complied with; provided, however, the necessity for compliance with all the remaining provisions of this declaration of Covenants, Conditions and Restrictions shall not be waived or affected by the Committee's failure to act.

4. Terms: The members of the Committee shall serve such terms as may be established by the Board of Directors.

5. The Board of Directors shall have the authority to develop, adopt and enforce architectural guidelines, by resolution duly adopted by a majority of the members of the Association at a publicized meeting, which architectural guidelines shall be filed of record with the County Clerk of Polk County, Texas.

The Association, or others authorized by the Association, may cut weeds and grass, remove garbage, trash and rubbish or do any other thing necessary to secure compliance with these Restrictions, so as to place said lot in a neat, attractive, and sanitary condition. Neither the Association nor its agents or employees shall be liable, and are expressly relieved from any liability for trespass or other tort in connection with actions undertaken hereunder.

6. The cost of such exterior maintenance and other work shall be the personal obligation of the Owner of the Lot on which it was performed and shall become a part of the fees payable by said Owner and secured by the liens herein retained. The defaulting owner will be charged for the reasonable cost of such work and associated materials. Any such charges shall be due immediately upon receipt. If the statement is not paid within thirty (30) days of the date due, then said amount shall accrue interest at the rate of ten (10%) per cent per annum.
